Dear Parents / Carers

Coast Project Primary School Photography Competition

Children from our school have been invited to take part in a photography competition being run by the coast rangers working between Hendon and Ryhope. Their role is to protect the protected coastline.

The competition is open to all primary schools in the Hendon, Grangetown and Ryhope catchment area.

Photos can be either coastal wildlife shots including wild flowers or coastal landscape shots and must be taken by children.

There are three prizes for first place school, second place school and third place school. Prizes starting with first place £300.00, second place £200.00 and third £100.00. All moneys will be paid directly to the school, for the discretion of the head teacher. Every entry will receive a gift from the Coast Project.

Prize winning photos will become property of the Coast Project with user rights to the pupil's school.

Photos must be of a digital image taken on mobile phone, iPad or digital camera. Evidence must be shown of what the image was taken with (image to remain on the instrument), until after judging. Photos should be emailed in a jpg image to info@coastproject.org If multiple images are to be submitted, please use Dropbox or WeTransfer.

Photos must be emailed to Info@coastproject.org with digital image attached and include pupil's name/s, age of pupils, year group and Ryhope Infant School Academy.

The images must be original and not edited.

The competition started on the 1st May 2019 and will run until 28th June 2019. Photos can be submitted anytime up until 3rd July 2019 for judging. Wining pupils / classes to be notified on 8th July. The judges will consist of Coast Ranger and the Sunderland City Councils Ecology Team.

Images will be place on Coast Project website and social media pages; images of children must come with parental permission.

If you would like any additional information, please ring 0191 5612468 and speak to Ian Graham your Coast Project Ranger.

Good Luck!
