Dear Parents/Carers

I'm sure you all appreciate how much time and effort it takes for staff to organise events for our pupils to take part in. We believe that we should offer our pupils as many different opportunities as possible whilst they are with us giving them lots of experiences and making amazing memories. The children are at the heart of all our decisions as we only want the best for our pupils.

I understand that sometimes parents may have concerns regarding organised events. We, as a school, are here to work with our parents and value your opinion greatly however if we are not informed of any concerns then we cannot put things in place to resolve these issues.

Please if you have any comments/concerns regarding school could you contact school or speak to a member of staff rather than using social media to voice your concern so we can work with you to find a solution.

Mrs T Allen
Headteacher
