

Newsletter – MONDAY 10 FEBRUARY 2020

Headteacher

It is **Safer Internet Day** on Tuesday 11th February. We regularly talk to our children about how to stay safe online but we will be having an assembly on Tuesday highlighting the potential dangers of sharing personal information online (in a very child friendly way). Please follow this link to find activities and fun things you can do as a family to keep your children safe online.

SAFEGUARDING ALERT for all parents/Carers

Yome Live is a dangerous live streaming app that has come onto our radar. It poses risks to children and young people in your care. Make sure you **DO NOT** disclose the name of this app to the young people in your care, as we know this can spark curiosity.

'Yome Live' (pronounced Yo-Me) enables users to publicly live stream video or voice chat. This live streaming app creates an easy-to-access video and chat environment frequented by adults involved in **highly sexualised behaviour** targeted at children and young people. We observed children being **sent gifts** in attempts to persuade them to 'follow' and '**chat privately**' with **adult users**.
