Phoneme Spotter (Spot the quickwrite words in the paragraph below). Discuss as we go.

When I was of a young age, I always wanted to make an apricot and apple cake. So, I put on my hat and my apron then began to bake! I watched my cake rise in the oven. Once it had baked, I took it out and tried one piece. It was so tasty!

Write sentence and self-check – I liked baking my apricot and apple cake.

e.g. This is Sarah's toy car.

You will need to create your own '**apostrophe**.

Next you will need to write out your own sentences about things that belong to people.

Now add in your apostrophe and rewrite your sentence with the correct punctuation.
