21st September 2020

Dear Parents/Carers of Ryhope Infant School,

**Greenstart at Home** is a free Family Learning Course which you can complete in the safety of your own home and garden (or local park).

The course runs for six weeks and includes activities, crafts, worksheets and games to help you explore nature and learn together. You will be expected to spend 2 hours a week on the course and a craft pack including equipment and resources will be provided.

**Greenstart at Home** is not just reading and writing; instead, you will learn through practical activities and record what you learn by making a beautiful scrapbook with your child.

To complete the course and gain your certificate we ask for weekly comments on your progress and photos of your crafts, activities and your scrapbooks. You will also get a dedicated tutor who will help you through your course and offer a weekly phone call or video call to support your progress.

**If you would like to book your place or request further information, please email [Rebecca.wilson@groundwork.org.uk](mailto:Rebecca.wilson@groundwork.org.uk) or call 07909231906 and we will be back in touch with you!**

Unfortunately we cannot accept learners who have completed this course in previous years.

I hope to hear from you soon. Please don't hesitate to contact me if you have any questions.

Regards,  
Rebecca Wilson  
Community Project Manager
