Dear Parents/Carers

Just to keep you informed a member of staff who works in the kitchen has tested positive. Public Health have been informed and the staff in the kitchen are following their advice. The staff have all been wearing the appropriate PPE (face mask, visor, gloves, apron), following Government guidelines and have had minimal (at a safe distance and for less than a minute) to no contact with our pupils. Public Health have said **there is no need for any of our pupils or staff to self-isolate.**

We will continue to keep you informed and as up to date as possible. Any concerns please do not hesitate to contact school.

I would like to reassure you that the safety of all our pupils, staff and families is our main priority.

Thank you for your continuing support in this challenging time.

Kind regards

Mrs T Allen  
Headteacher
