

**Headteacher: Mrs T Allen**

## Nursery News!

10th September 2020

We now have all of our new starters attending Nursery.  
Thank you for your patience and support whilst we have been settling everyone in, it's great to see everyone engaged and enjoying their play.

Please ensure that all of your children's clothes are named (including shoes and coats!)

Please could everyone bring a spare change of clothing (pants, socks, t shirt and trousers / skirt) to leave in a bag at nursery. If you send it in a named bag and we will transfer it to one of our Nursery bags to keep in Nursery classroom.

We have plenty of pairs of waterproofs to wear when we are outside but if your children could bring a pair of named wellies to leave at nursery then we would be very grateful.

Our topic for the next few weeks is '1,2,3 It's good to be me'. We are doing lots of activities about us, our bodies, our families and things that we can do. Last week we read 'Nobot the Robot' and this week we are reading 'From head to toe' by Eric Carle.

If you could send a photo in with your child of their family and special people to them then we would like to create a display of 'Special People'.

We are planning an activity for family involvement to decorate and make a wish upon a star for your child in their Nursery year. Watch out for updated information about this!

Thank you for your support so far, if you do have any queries or comments then please contact us on 0191 9171910 and we will give you a call back.

You can keep up to date with our progress on our class blog on the website -
