

Headteacher: Mrs T Allen

15 October 2020

Dear Parents and Carers

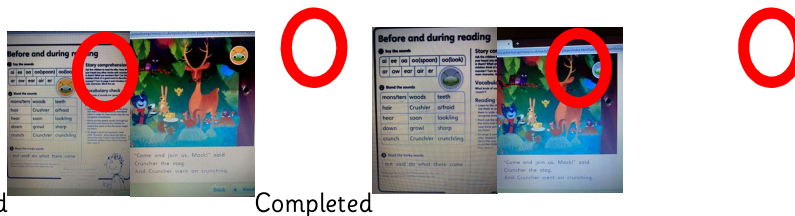

We have recently been made aware that to access our new Bug Club Reading Scheme home page - 'Active Learn' on all Apple devices, you need to change some of your settings in Safari.

We have uploaded a video onto a school story on ClassDojo of how a reading book should be used. We have used the 'read to me' option, you may initially do this but then encourage your children to read the book themselves.

- You child's allocated reading books and activities are stored in 'my stuff'
- When reading the book, **please ensure that the bug on the first page is selected** and that your child listens to the sounds that are in the book and also **the bug on the last page which allows your child to complete the quiz.**

The bug's eyes will shut and the background will turn grey once that section has been completed.

Not yet completed

Completed

- Once your child has read the book and also pressed the interactive bug sections, the book will be marked as complete and moved to your child's library. Staff can then see online which children have accessed and completed their books and allocate the next book for your child.

Should you have any problems or questions about this then please contact school.

Thanks

Ryhope Infant School Academy is an exempt charity. It is a company limited by guarantee in England and Wales under company registration number 09161532, Registered Office Address is the address above.
