Dear Parents/Carers

Go Smarter Travel Plans

Go Smarter are looking at any impact that Covid19 might have had on the way that families and pupils currently choose to travel to school.

We would really appreciate it if you could complete this very short and straightforward survey before Friday 18th December, 2020.

Just copy the link below into your search engine, answer the questions and press 'send' when you have completed it. This link is specifically for our school and there is a prize for the school with the most survey returns completed

Thank you for your contribution and the results will be published by Transport Development at Sunderland City Council once the survey is complete.

May we thank you all for your help in this research

Regards
