Incy's Revenge

Incy Wincy spider
Climbed up the water spout,
Someone flushed the toilet
And washed the spider out.
Incy was all wet now
He wanted to get even,
He wriggled up the spout again
And saw a boy called Steven.

Incy Wincy spider
Climbed up the toilet pan,
It really was quite stinky,
It smelt of eggy flan.
Incy watched the little boy
Brushing all his teeth,
He ran across the toilet lid
And waited just beneath.

Incy Wincy Spider
Climbed up the bathroom wall,
He crawled up to the ceiling
And let himself then fall.
The little boy was gargling
His eyes were open wide,
When Incy fell onto his face
Little Steven cried.

Incy Wincy spider
Bit him on the nose,
He spun a web around his ears
And danced upon his toes.
Little Steven ran away
He screamed with all his might,
He didn't want to flush again
And couldn't sleep all night!
