In Letters and Sounds we are going to ...

Sing the rhyme – This little piggy went to market.

<https://www.youtube.com/watch?v=FrjwSD7hWVc>.

Can you say the rhyme together, using your fingers or toes to wiggle whilst saying the rhyme.

We are going to play a game of 'who is making the sound?'

We are going to guess which animal is making the animal sounds.

Can you pretend to be one of the characters from the story of the Three Little Pigs? You could be one of the pigs or the wolf. You might want to make a mask to put on.

Can your adult ask you questions about what your character did - eg, what did you make your house out of? What happened to your house? why? Can the children answer the questions? Can you swap over and the children ask the questions.

In maths we are going to use a sorting tray which has lots of different things in – a few building bricks, pom poms, pegs, magnetic numbers, buttons, crayons, pieces of pasta. We are going to sort the tray into groups (which will be groups of 1,2 or 3) and then have some number cards that we will use to see if we can match to the groups- identifying 1,2,and 3.

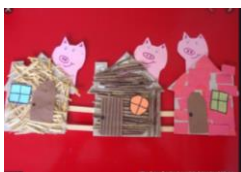

Can you Huff and Puff it?

Look for and talk about a variety of objects in your house and decide if you could blow it down by huffing and puffing like the wolf. Have a guess before you do it – can you say why you don't think you will be able to blow it down or why

We are going to have a go at drawing or painting a picture about the story of the three little pigs and then we are going to tell a grown up about our picture.

We need to remember to choose the colours carefully that we are going to use and think what the different parts of our picture look like.

We are going to have a go at making our own creations of the 3 little pigs, the wolf or their houses. Can you make something linked to the story?

This week for snack we are going to make pigs in blankets using sausages and wrapping them in bacon and cooking them.
