Thursday:

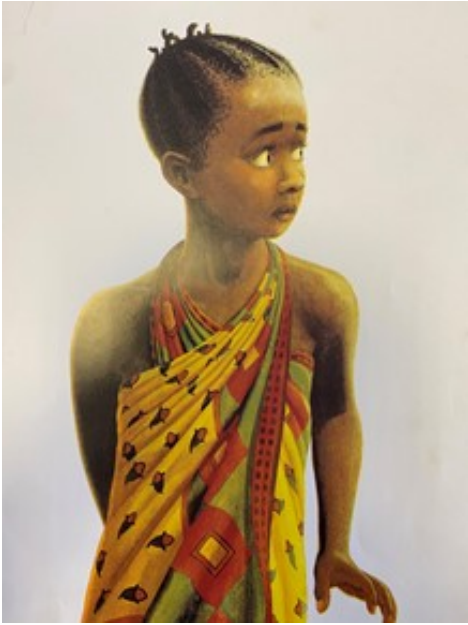

Try to use your positive adjectives to retell this part of the story using the image to help.

Example:

Jamina felt so excited, she couldn't wait to be a hunter! She played happily in the bright, colourful and amazing African bush. She heard a harmonising tweet from a joyful bird that flew beau-

Can you write your retell of this part of the story and include negative adjectives.

Example:

Jamina wandered too far into the African bush, she felt sweat dripping down her head from the heavy afternoon heat. She could hear a deafening, mournful cry echo from deep inside the bush. The cry sounded desperate. She was terrified. She was worried. But Jamina knew she needed to help whatever lay in the African bush. Further and further she paced into the African bush. She felt her heart beat pumping beneath her chest. Sly predators hung above her stalking her every move. She could hear her heavy breath and all around she sensed danger. Further and further she went...
