World Book Day
Thursday 4th March 2021

Within school and at home we will have lots of activities for you to join in with to celebrate books and reading on World Book Day.

- Dress as your favourite book character.
You can come to school or dress up at home as your favourite story character. Send us your photos if you are at home, we would love to see who you all are! Outfits don't need to be shop bought. In fact, it could be a project to find something that you already have at home to wear and make into a costume. There are lots of ideas on the internet if you need some inspiration!

- Tell us about your favourite book.
On class dojo could you send us a short video / voice note on class dojo with a photograph of you and your favourite book? Why is it your favourite? Which part do you like the best? Would you recommend it to a friend to read?
- The masked reader
On Class Dojo and our school Facebook page we will have school staff reading a few pages of some of their favourite stories ... can you guess who it is behind the mask? No prizes, just for fun!
If the children wanted to send a video of them reading or telling a short story behind a mask they could send it to their class dojo page and staff will place it as a class story and children could guess which of their friends it is!
- Best of all, share and enjoy some stories together.

Happy reading!
