

Primary PE and Sport Premium Funding 2019/20

Ryhope Infant School Academy

Current numbers on roll (nor) Reception – Y2 = 154

Number of children in Reception and years 1 and 2 who are **eligible** for Sport Premium on the January 2018 School Census = 123
As part of the Governments sports funding initiative, every eligible school will receive £16,000 plus an additional £10 per pupil in Year 1 and 2.

Funding : £17230

Background:

In April 2013, the Government announced new funding of £150 million for Physical Education (PE) and sport. This funding should be used to improve the quality and breadth of PE and Sport provision. This funding is ring fenced to be used for sport specific areas to make an impact in Physical Education and Sport in schools.

Schools are free to determine how best to use this funding to improve the quality and breadth of PE and Sport provision, including increasing participation in PE and Sport so that all pupils develop healthy lifestyles and reach the performance levels they are capable of.

The revised vision for the Primary PE and Sport Premium is:

VISION

All pupils leaving primary school physically literate and with the knowledge, skills and motivation necessary to equip them for a healthy lifestyle and lifelong participation in physical activity and sport.

OBJECTIVE: To achieve self-sustaining improvement in the quality of PE and sport in primary schools.

We would expect indicators of such improvement to include:

- The engagement of all pupils in regular physical activity – kick-starting healthy active lifestyles.
- The profile of PE and sport being raised across the school as a tool for whole school improvement.
- Increased confidence, knowledge and skills of all staff in teaching PE and sport.
- Broader experience of a range of sports and activities offered to all pupils.
- Increased participation in competitive sport.

During the academic year September 2019 to July 2020 we plan to spend our funding in the following areas:

The [table](#) below (blue heading) is a comprehensive spending on employing an experienced coach. The other table (green heading) is further spending.

At Ryhope Infant School Academy, we recognise the contribution of PE to the health and well-being of the children. We believe that an innovative, varied PE curriculum and extra-curricular opportunities have a positive influence on the concentration, attitude and academic achievement of all our children.

Total: £17377.5		

Actual spend	Activity	Impact
£209	Jump start Jonny	This is used every morning to get the children moving and motivated prior to their lessons starting. This supports the children who find the start of the day difficult as there is no pressure on them giving them a positive start to their day. It also helps with focus and engagement as the children are more able to sit and concentrate after completing some exercise.
£871.11	Inspired through sport	This enabled us to invite 2 Olympic athletes into school to raise aspirations for our pupils.
£2550.00	Little movers	We saw an impact in the children's social skills as well as their confidence to have a go and their listening skills. The children were able to follow the instructions, learnt new songs as well as dances and were fully engaged with the fun sessions.
£720 + £300	Swimming and bus hire	Year 1 were able to start their swimming lessons. Their confidence in the water started to develop as well as their resilience and ability to have a go.
£70.83	Sports competition uniform	There was an increased sense of belonging to a team. This had a positive impact on the attitudes of the team members as well as their behaviour.
£236.25	Hula hooping	The pupils were able to talk about the importance of being fit and healthy. We saw an impact in the agility, balance and coordination of the pupils. We also saw an improvement over time with the pupil's social skills as they had to take turns and share the equipment during playtimes and lunchtimes.
£750	Basketball	Pupils are now more aware of the importance of good sportsmanship, it has improved social development and team work skills as well as building an awareness of the importance of respecting authority. We have also seen an increase in self-esteem as well as the health benefits. The pupils have also developed skills such as hand eye co-ordination and cognitive thinking.
£60	CPD – PE conference day	The PE lead has a clear understanding of the most up to date and relevant information as well as learning new techniques and strategies. This has been feedback to the rest of the school through staff meetings to upskill all staff.
£3451.11	Staff salary	PE lead has worked alongside new staff to team teach, demonstrate how to teach techniques and share good practice which has upskilled our staff. PE lead has made videos of how to teach the basic techniques to share with parents during their home learning period. PE lead has secured Gold standard Active Sunderland which demonstrates the importance we place on improving the health and well-being of pupils, creating sport and physical activity opportunities and being a great community school.
£197.10	PE equipment – new mats	Pupils are able to develop new skills and practice learnt skills in PE using the equipment.

£2427.11	Outdoor equipment	By providing equipment for the children to use at break times we have seen a huge impact on the social skills, turn taking and negotiating skills which is improving their language skills.. Pupils are more creative and use their imagination enabling them to re-enact stories or create new stories.
£18.75	Sandcastle competition	Although this was cancelled due to Covid the fee was paid in advance.

Sport Premium Sustainability

Wherever possible the PE and Sport Premium is used to create sustainable improvements in PE and School Sport by:

Up skilling Staff

- Providing opportunities to develop staff skills, knowledge and confidence which will impact on future cohorts of children

Improving Community Links

- Creating meaningful links between the schools and community clubs where coaches deliver in schools, children are taken to the club for School Games competitions or children are supported to transition into community sport

Health & Well-Being

- The provision of alternative activities such as skipping and hula-hooping have increased physical activity in school playgrounds. Trained leaders and teachers have created sustainability for the future

Partnership working

- Schools working together have built a strong, sustainable network where ideas are shared, support is offered and schools collaborate to offer their pupils the best opportunities they can.

Some of the activities, programmes and support we are able to provide with the Sport Premium would not be sustainable without further funding or passing on the costs to the pupils.
