Dear Parents/carers

With the warm weather and glorious sunshine shining for us we would like to remind parents of the importance of your child having sun cream applied **before** they come to school. We realise that at times it can be extremely hot and that sun cream may need to be reapplied.

Therefore, in Reception, Year 1 and Year 2 if you wish your child's sun cream to be reapplied please provide a tube or bottle of sun cream **with your child's name clearly written on it.**

In Nursery, if your child attends full days, you **must** provide sun cream in order for it to be reapplied for the afternoon session, as our nursery children spend a lot of time outdoors.

We would also like to ask parents/carers to provide a sun cap/hat for your child to wear. We do have spare caps to provide for your child but we find that if a child is wearing their own they are more likely to keep it on! Please write their name in it as otherwise it may get lost.

Thanking you all for your continued support
