Dear Parents / Carers

Photograph and Video Consent Form

Our Year 1 children have been invited to take part in a sculpture project ran by Sunderland Culture. On Tuesday 13th July 2021, Sue Loughlin, a local artist, will be coming to work with the children in school.

We are then hoping to develop the children's experiences of sculpture in the Autumn Term as part of their Year 2 work on the local area.

Sunderland Culture are developing a sculpture project as part of Antony Gormley's 'Field for the British Isles' learning programme. The exhibition of 40,000 clay figures will be on show at the National Glass Centre from 24 July – 24 September 2021. The Gormley exhibition also coincides with the launch of the new Dray and Horses sculpture by artist Ray Lonsdale on the Vaux site in September 2021, commissioned by Sunderland City Council.

The Learning Teams at National Glass Centre and Sunderland Museum & Winter Gardens are working in partnership with an artist, Sue Loughlin, to develop a set of cross curricular sculpture activities and resources on the theme of Sculpture and Industry for use in the classroom and cultural venues and have asked us to help develop and test their learning ideas.

They will be using photographs and videos to share the work that has taken place with other professionals and members of Arts Teams.

Please complete the attached photo consent form and return to school office by **Wednesday 7th July 2021**. **Please do not put in your child's book bag**

Thank you

Year 1 Team
