3 October 2022

Dear Parents / Carers

We hope that you are over the moon with how your children have settled into both of the nursery rooms – we certainly are!

In both of our Nursery rooms, we actively encourage children to be ‘hands on’ and to experience a range of activities. A lot of these activities require consumable materials or ingredients which need to be bought fresh and replenished often. We also like to provide varied, healthy snacks each day for our children.

In the current climate, we fully understand the financial pressures that we are all under, however our school is also under increasing pressure.

We are therefore asking for a donation to the Nursery snack fund each week. We will have a donation tin in both of our Nursery entrances, with a suggested donation of 50p each week which will go towards the products for snack time and any extra will be used to buy the materials which are bought to offer the children a range of experiences and treats throughout the year.

We understand that a cash donation is not always possible and have therefore added a donation option in the subs / fees section of Pay360.

Thank you in anticipation of your Support

Nursery Team
