

# Primary PE and Sport Premium Funding 2021/22

## Ryhope Infant School Academy

Current numbers on roll (nor) Reception - Y2 = 109

Number of children in Years 1 and 2 who are eligible for Sport Premium on the January 2021 School Census = 94

As part of the Governments sports funding initiative, every eligible school will receive £16,000 plus an additional £10 per pupil in Year 1 and 2.

Funding: £16,940 (plus funding carried from 2020-21: £1,369)

Total Income: £18,309

### **Background:**

In April 2013, the Government announced new funding of £150 million for Physical Education (PE) and sport. This funding should be used to improve the quality and breadth of PE and Sport provision. This funding is ring fenced to be used for sport specific areas to make an impact in Physical Education and Sport in schools.

Schools are free to determine how best to use this funding to improve the quality and breadth of PE and Sport provision, including increasing participation in PE and Sport so that all pupils develop healthy lifestyles and reach the performance levels they are capable of.

### **The revised vision for the Primary PE and Sport Premium is:**

#### **VISION**

*All pupils leaving primary school physically literate and with the knowledge, skills and motivation necessary to equip them for a healthy lifestyle and lifelong participation in physical activity and sport.*

**OBJECTIVE:** To achieve self-sustaining improvement in the quality of PE and sport in primary schools.

#### **We would expect indicators of such improvement to include:**

- The engagement of all pupils in regular physical activity - kick-starting healthy active lifestyles.
- The profile of PE and sport being raised across the school as a tool for whole school improvement.
- Increased confidence, knowledge and skills of all staff in teaching PE and sport.
- Broader experience of a range of sports and activities offered to all pupils.
- Increased participation in competitive sport.

**During the academic year September 2021 to July 2022 we plan to spend our funding in the following areas:**

The [table](#) below (blue heading) is a comprehensive spending on employing an experienced coach. The other table (green heading) is further spending.

At Ryhope Infant School Academy, we recognise the contribution of PE to the health and well-being of the children. We believe that an innovative, varied PE curriculum and extra-curricular opportunities have a positive influence on the concentration, attitude and academic achievement of all our children.

Total: £18,335		

Actual spend	Activity	Impact
£229	Jump Start Jonny	Jump Start Jonny continues to be an extremely Important and useful way to encourage physical activity in a fun and non-threatening environment throughout the school day. We utilise this every morning to get the children moving and motivated prior to their lessons starting, and also periodically throughout the day to get physical and refocus small brains, readying them for more focused learning. This has ensured that all children are in a positive frame of mind and ready to learn.
£1570	Transport for swimming/ competitions/ tournaments.	Pupils were able to attend gymnastics taster sessions/ Key Steps Competition, including Regional Final/ swimming lessons.
£1653.61	Replenish resources and storage.	Pupils are able to develop new skills and practice learnt skills in PE using the equipment. By enhancing the equipment available at break times we have seen a huge impact on social skills, turn taking, negotiating and also problem solving skills. This has supported improved speaking and listening skills.
£2307.19	Swimming lessons and Workshops/ coaching to enhance specific skills such as Chinese New Year dance, gymnastics, cricket, skipping, hula-hooping, tennis etc.	Y1 pupils were once again able to engage in swimming lessons, developing their water confidence, personal resilience and listening skills. All children demonstrated progress with physical skills, reducing the number of swimming aids required. Children also demonstrated the ability to take risks and step out of their personal comfort zones in order to improve their skills. Enrichment workshops with Team Rubicon enabled pupils to widen their physical experiences with an exciting scooter and skateboard session, which also enabled them to manage personal risks.
£3578.31	P.E Co-ordinator release time and to re-apply for the Great Active Sunderland Schools Chartermark.	PE lead has secured the retention of the Sunderland Gold Standard Active Schools Chartermark, which demonstrates the importance we place on improving the health and well-being of pupils, creating sport and physical activity opportunities and being a great community school. P.E lead led teams of gymnasts from our school, including the winners, in the Key Steps Competition, then subsequently led our winning team in the Regional Final in Newcastle.

£225	Staff CPD	P.E lead identified CPD for lunchtime assistants to upskill them and improve our lunchtime Active Playground. P.E lead has undertaken personal CPD to enable her to deliver the Shooting Stars Girls Football programme within school.
£90.00	Equipment Safety	Equipment is safe and secure.

## Sport Premium Sustainability

Wherever possible the PE and Sport Premium is used to create sustainable improvements in PE and School Sport by:

### Up skilling Staff

- Providing opportunities to develop staff skills, knowledge and confidence which will impact on future cohorts of children

### Improving Community Links

- Creating meaningful links between the schools and community clubs where coaches deliver in schools, children are taken to the club for School Games competitions or children are supported to transition into community sport

### Health & Well-Being

- The provision of alternative activities such as skipping and hula-hooping have increased physical activity in school playgrounds. Trained leaders and teachers have created sustainability for the future

### Partnership working

- Schools working together have built a strong, sustainable network where ideas are shared, support is offered and schools collaborate to offer their pupils the best opportunities they can.

Some of the activities, programmes and support we are able to provide with the Sport Premium would not be sustainable without further funding or passing on the costs to the pupils.
