3<sup>rd</sup> November 2022

Dear Parents / Carers,  
Please join us for our first event of the year:

**Reading Workshop: Thursday 17<sup>th</sup> November 2022 1.45-3.00pm  
in our school hall (enter via the hall doors at back of school)**

*You can find magic wherever you look, sit back and relax,  
all you need is a book,  
Dr Seuss*

We would love for you to come along and get to know us a little better. It is so important for staff to work in partnership with families. We know you often have lots of questions around the teaching and learning of reading. So please pop along and join us for a session where you can see some of the resources and have an informal chat about how we support reading at Ryhope Infant School Academy.

We will have lots of reading and phonic based activities for you to get involved with alongside your child, giving you an opportunity to see how your child develops their phonic skills and word recognition leading to fluency and comprehension.

Our session will involve a little chat about our phonics programme Little Wandle, information about our reading scheme and how you can support your child at home and if you are unable to attend the session, we will send information packs home.

If you can join us, please indicate below **and return to the school office as soon as possible**

Kind Regards,  
Mrs Simpson, Miss Lumsden and Miss Fisher
