Question 10: What support do we have for you as a parent of a child with a SEND?

- The class teacher is regularly available to discuss your child's progress or any concerns you may have and to share information about what is working well at home and school so similar strategies can be used.
- By appointment, the SENDCo is available to meet with you to discuss your child's progress or any concerns/worries you may have.
- All information from outside professionals will be discussed with you with the person involved directly, or where this is not possible, in a report.
- Support plans will be reviewed and updates shared to you throughout the school year.
- Homework will be adjusted as needed to your child's individual needs.
- A home/school contact book may be used to support communication with you, when this has been agreed to be useful for you and your child.
- SEND review meetings take place termly, where you are able to meet with your child's class teacher and SENDCo to discuss your child's needs, support plan and targets. This is in addition to whole school parent meetings.
