#### **Question 8: How will the teaching be adapted for my child with SEND?**

- Class Teachers plan lessons according to the specific needs of all groups of children in their class, and will ensure that your child's needs are met.
- Support staff, under the direction of the class teacher, can adapt planning to support the needs of your child where necessary.
- Specific resources and strategies will be used to support your child individually and in groups.
- Planning (including that for specific support plan targets) and teaching will be adapted on a daily basis if needed to meet your child's learning needs.
- 'Reasonable adjustments' will be made, in line with the SEND code of practice, to enable your child to access the curriculum in a way that matches their individual needs.
- Advice from other professionals will be followed by school staff and targets / strategies used in children's individual support plans.
